Case No. 18-cv-0565-RSL

**ORDER GRANTING FINAL
APPROVAL OF CLASS ACTION
SETTLEMENT**

THIS MATTER came before the Court on Plaintiff's Motion for Final Approval of Class Action Settlement. The Court has considered all papers and materials submitted by the parties in support of the proposed Settlement Agreement, including Plaintiff's motions for preliminary and final approval of the Settlement Agreement and the declarations of Class Representatives, Class Counsel, and the Settlement Administrator. The Court held a Final Approval Hearing on August 12, 2022, at which the Court heard argument from counsel and allowed others to appear to voice their support for, or objection to, the Settlement. Based on all these materials and the statements at the Final Approval Hearing, the Court issues the following Order and Final Judgment:

1. Settlement Terms. All terms and definitions used herein have the same meanings as set forth in the Settlement Agreement.

2. Jurisdiction. The Court has jurisdiction over the Parties, the subject matter of the dispute, and all Settlement Class Members.

3. Class Certification. The Court confirms its certification for settlement purposes of the following Settlement Class under Rule 23(b)(3) of the Federal Rules of Civil Procedure:

All individuals who, in Washington (as reasonably determined by IP address or other information furnished by Platform Providers), played the Applications on or before Preliminary Approval of the Settlement.¹

4. Class Notice. The Class Notice given by the Settlement Administrator to the Class was the best practicable notice under the circumstances and was reasonably calculated, under the circumstances, to apprise Settlement Class Members of the pendency of the Action, their right to object to the Settlement or exclude themselves from the Settlement Class, and to appear at the Final Approval Hearing. The Class Notice and the means of disseminating the same, as prescribed by the Agreement and supplemented by Order of the Court, was appropriate

¹ Excluded from the Settlement Class are (1) any Judge or Magistrate presiding over this Action and members of their families, (2) the Defendants, Defendants' subsidiaries, parent companies, successors, predecessors, and any entity in which the Defendants or their parent have a controlling interest and their current or former officers, directors, and employees, (3) persons who properly execute and file a timely request for exclusion from the Settlement Class, and (4) the legal representatives, successors or assigns of any such excluded persons.

1 and reasonable and constituted due, adequate and sufficient notice to all persons entitled to
 2 notice. The Class Notice and the means of disseminating the same satisfied all applicable
 3 requirements of the Federal Rules of Civil Procedure, constitutional due process, and any other
 4 applicable law.

5 **5. Settlement Approval.** The Court hereby grants final approval to the Settlement
 6 and finds that the Settlement is, in all respects, fair, reasonable, and adequate, and in the best
 7 interests of the Settlement Class. The Court finds that the Settlement is within the authority of
 8 the Parties and the result of extensive, arm's-length negotiations. The Parties are directed to
 9 proceed with the Settlement procedures specified under the terms of the Settlement Agreement,
 10 including payment and prospective relief.

11 **6. Objections or Exclusions from Settlement Class.** Class Members were given a
 12 fair and reasonable opportunity to object to the settlement. No members of the Class have timely
 13 and validly requested to be excluded from the Class and the Settlement. No objections have been
 14 brought to the Court's attention. This Order is thus binding on all Class Members and has *res*
 15 *judicata* and preclusive effect in all pending and future lawsuits or other proceedings maintained
 16 by or on behalf of Class Members with respect to the Released Claims.

17 **7. No Admission.** Neither this Final Judgment nor the fact or substance of the
 18 Settlement Agreement shall be considered a concession or admission by or against Defendants²
 19 or any other related party, nor shall they be used against Defendants or any other released party
 20 as an admission, waiver, or indication with respect to any claim, defense, or assertion or denial of
 21 wrongdoing or legal liability.

22 **8. Dismissal with Prejudice.** Pursuant to the terms of the Settlement, the action
 23 (including all individual claims and class claims) is hereby dismissed with prejudice on the
 24 merits, without costs or attorney's fees to any Party except as provided under the terms of the
 25 Settlement Agreement, this Final Judgment, and the Court's Order Granting Class Counsel's

26 ² The term "Defendants" in the Settlement Agreement refers to Light & Wonder, Inc., f/k/a
 27 Scientific Games Corp. (the Defendant in this action) and SciPlay Corp. *See* Dkt. #164-1 at 1.
 This Order uses the term in the same way.

Motion for Award of Attorney's Fees and Expenses and Issuance of Incentive Awards.

9. Releases. This Order incorporates the Releases set forth in the Settlement Agreement and makes them effective as of the Effective Date. All Settlement Class Members who have not properly sought exclusion from the Settlement Class are hereby permanently barred and enjoined from filing, commencing, prosecuting, intervening in, or participating (as class members or otherwise) in any lawsuit or other action in any jurisdiction based on the Released Claims, as set forth in the Settlement Agreement.

10. Attorneys’ Fees and Expenses. Pursuant to the Court’s Order Granting Class Counsel’s Motion for Award of Attorneys’ Fees and Expenses and Issuance of Incentive Awards, the Court awards \$6,125,000 in attorneys’ fees and \$33,688.74 in costs and expenses to Class Counsel.

11. Incentive Awards. Pursuant to the Court's Order Granting Class Counsel's Motion for Award of Attorneys' Fees and Expenses and Issuance of Incentive Awards, the Court awards \$10,000 to Donna Reed for her services as a Class Representative and awards \$2,500 to Laura Perkinson for her services as Class Representative.

12. Continuing Jurisdiction. Without affecting the finality of the Final Judgment for purposes of appeal, the Court retains continuing and exclusive jurisdiction over the Parties and all matters relating to the Settlement Agreement, including the administration, interpretation, construction, effectuation, enforcement, and consummation of the Settlement and this Order.

IT IS SO ORDERED.

Dated this 12th day of August, 2022.
